

Welcome to M.I.P.H.A. Club

Michelle Cheng and Daniel Lin

Goals of this club:

- Share and discuss some medical practices
- Build interest for certain medical professions
- Question morally dubious medical acts
- Strengthen bond between peers of similar interests

1. Intro

Let's introduce ourselves real quick!

- **Name**
First and Last Name
- **Grade**
What grade are you in?
- **Future Career Interest**
What is your goal career?

—
**Should patients be allowed
to choose to die?**

**Even if they have the chance
to be saved?**

What is the DNR? Let's see.

**After watching the video,
what is your opinion?**

What are some possible solutions?

If you were a doctor, what would your argument be?

Read this article for a proposed argument and solution to DNR.
